

Dear Students,

We are excited to offer you the opportunity to participate in an international week. International week takes place online from the 29th of November to the 3rd December. You will participate in **5 days of online learning; hear from international guest lecturers, work on a project with students from many countries**, and present your work at our conference on Friday 3rd December. Participation is free and the application process is detailed below.

If you have preference for which topic you would like (Cancer or Nursing Rituals), please contact us, otherwise you will be assigned to a topic.

This [link](#) provides more detail of the learning outcomes for this course and the attached flyer provides more details about international week.

We kindly ask you to apply for the online course 'Nursing in national and international context' until *1st November, 2021* at the latest:
